

SEE THE GOOD

Seventy-nine years ago Osborne Meese knew that Richland County was a place for philanthropy. He worked alongside six local businessmen to create the Richland County Foundation based on the practices of the Cleveland Foundation. And, every day we are the beneficiaries of their work, dedication, and foresight.

As we look back over 79 years of successful philanthropy, investing in our community, and growing as a trusted community partner, we reflect on how we have created such success. It has not been accomplished alone. Our staff has remained small but mighty over the years and our board has created a reputation for steadfast leadership. Our staff and board have been the leaders, but it is only through the generosity of the donors that we are able to achieve such success and impact on our community.

This 2024 Annual Report reflects nearly \$9 million dollars in grants made through funds established by generous donors since 1945. These grants represent donor advised funds where donors have the opportunity to suggest where and how their dollars are spent, as well as unrestricted funds established by donors willing to trust the board with their earnings and choose what is most needed in the community. We take grantmaking seriously while also being enthusiastic about the outcomes.

We truly appreciate your generosity in supporting the Richland County Foundation and our mission to improve and enhance the quality of life in Richland County forever. We are appreciative of the past and look forward to the future because Richland County will always be a place for philanthropy.

A PLACE FOR PHILANTHROPY

10 YEARS OF COMMUNITY GIVING

Richland Gives, an online giving event hosted by the Richland County Foundation, celebrated its 10th anniversary and raised \$804,938 via 1,666 donors to benefit local nonprofit organizations. Since its inception, Richland Gives has raised \$3,795,331.

Richland Gives is designed to encourage people to contribute to local nonprofits they care about through a single giving website. The foundation hosted the day to build capacity, grow philanthropy and make the community stronger. It allows local organizations to raise funds and awareness as well as cultivate new donors and reinvigorate lapsed donors.

The Foundation awarded \$80,000 in grants as prize incentives during the giving event. The nonprofit organizations with the most donors or raised the most dollars in the small, medium, and large nonprofit categories were awarded \$5,000 for first place, \$3,000 for second place, and \$1,000 for third place. Nonprofits could win only one leaderboard prize.

MANSFIELD RISING 2024 UPDATE

Mansfield Rising 2.0 from left to right: Nan McCartney, Sandy Messner, Jessica Hiser, Kris Beasley, Mario Davison, Orie Rush, and Braxton Daniels III. Not pictured Jennifer Beavis.

The original Mansfield Rising project in 2018 was a big risk with no clear path to success when it began. Something like Mansfield Rising had never been done in Mansfield, or anywhere else.

No community foundation had ever sent 15 people to an ideas festival in Texas and then tasked them—as unpaid volunteers—to build a framework for growth, development, and investment.

The big question was what would happen after the plan had been developed and delivered. No one knew if Mansfield Rising would become a rallying point for community action or a footnote in the long line of plans gathering dust on shelves throughout the region.

MANY FORMS OF IMMEDIATE AND SIGNIFICANT ROI

- 17 projects have been either completed or are in process.
 - Main Street Improvement Project
 - Community Branding
 - Development Incentive grants
- Projects noted in the MR plan have attracted over \$19 million in investment from dozens of public and private sources.
- Mansfield Rising turned into a powerful leadership development cohort. Since 2018, members of the original cohort have:
 - Started businesses
 - Purchased businesses
 - Ran for and been elected to public office including school boards, city council, and the mayor's office all of which are now occupied by Mansfield Rising members.
- The term, **"Mansfield Rising"** has been adopted in the local vernacular as synonymous for citizen-led community development and improvement.
- The citizen planners have developed a deep trust in one another and radically expanded the diversity and nature of their professional networks.

FRESH FACES AND NEW IDEAS

In 2024 an anonymous donor who had watched and been impressed by the progress and headway driven by Mansfield Rising wanted more for Mansfield. An offer was extended to send a second group to SXSW and join the effort. This came quickly and with no conditions.

A MORE RIGOROUS, SUPPORTED PROCESS

A team of three went to work to examine what worked the first time and what they wanted to improve.

- To ensure cohesion and buy-in, nominations for the new group of eight came from the original team. This was new and worked well. The nomination process was formalized through an online form, vetted, and ultimately voted upon by the original group.
- The focus on diverse backgrounds and perspectives which proved so valuable in 2018 was carried through to great effect. The cohort was remarkably diverse in all ways, representing the full spectrum of the community they were serving.
- Two original Mansfield Rising members went with the new cohort to SXSW and acted as mentors to the new group and helped them develop of ideas.
- Development of ideas became more rigorous. The new cohort received training in development of a pitch, used a common slide deck and format, and had a mock pitch day for feedback. Their work culminated with a formal pitch night attended by nearly all Mansfield Rising members and many stakeholders.

By the end of 2024, about a year after the effort began, the new Mansfield Rising cohort has been integrated into the effort and some of their projects have begun moving forward.

**THERE'S A FIRE BURNING.
WE NEED TO ADD FUEL.**

The anonymous donor saw the need to add new leaders and perspectives. They hoped to keep the energy behind Mansfield Rising high and mitigate the inevitable loss of members due to moves, personal situations, or job changes.

Taking Root Farms held a groundbreaking ceremony for its farm-based day habilitation building located on the grounds of the Raemelton Therapeutic Equestrian Center. Adults with intellectual and developmental disabilities will attend full-day programs at the new facility. Donors, including the Foundation, contributed to the capital campaign. Taking Root Farms board members and funders including RCF President and CEO Allie Watson (far right) attended a groundbreaking ceremony.

A LOCAL COUPLE'S LEGACY

Alan and Sharon Mottayaw are helping the community with their estate gift to the Richland County Foundation. Sharon passed away in 2023 and Alan in 2012. Their gift has established two funds at the Foundation.

The Alan and Sharon Mottayaw Fund, a designated fund, will provide grants to St. Peter's Church, where they were parishioners, and the Monsignor Dunn Foundation to support St. Peter's School. In addition, the fund will support the Malabar Farm Foundation Fund at RCF for education and preservation projects, Ohio State University Foundation for cancer and nephrology research, and the Wayne County Agricultural Society for its horse-pulling competition during the fair.

The Alan and Sharon Mottayaw Scholarship Fund will support Richland County students with their college expenses for those pursuing a degree in engineering or performing arts.

Alan was a lifetime resident of Mansfield and was employed at Century Link as an IT Specialist. Family members said he was the nicest guy you would ever meet, and his caring and patient demeanor was evident. Sharon was artistic and put her creativity into paintings, floral arrangements, dancing, and sewing.

The Richland County Foundation Legacy Society provides a way to recognize generous individuals who have included the Foundation in their estate plans. Legacy Society Donors understand that a planned gift is a simple way to contribute to the future of our community.

If you are interested in learning more about how your estate gift could impact your community, contact Chief Advancement Officer Maura Teynor at 419-525-3020 or mteynor@rcfoundation.org.

DONORS SUPPORT YOUTH MUSIC EDUCATION

The Renaissance Performing Arts Association set up two funds to support youth music education: the Adlyn and Daniel Lichtenstein Youth Orchestra Fund and the Percy Hall Youth Orchestra Fund.

Renaissance Performing Arts Association President Chelsie Thompson said the funds will provide resources for a new program that utilizes Mansfield Symphony Orchestra musicians who are enrolled at either the Oberlin Conservatory of Music, or the Cleveland Institute of Music to teach area high school students.

"It is an integrated approach; it will provide students with access to quality teachers. And the teachers will gain instruction knowledge while earning a stipend," said Thompson.

The new funds will also provide scholarships to the younger musicians for private lessons. The Youth Symphony Orchestra draws students from 12 counties. Locally, Mansfield and Lexington school districts have orchestras.

The Lichtenstein and Hall families were friends and musicians.

Adlyn Lichenstein was a graduate of the Eastman School of Music in Rochester, New York where she majored in concert piano. She performed as a concert pianist until she and Dan began raising a family but continued to work as the Mansfield Symphony rehearsal accompanist and organist until her death in 1978. She served on the Board of Directors of the Mansfield Symphony Society and loved rehearsing piano pieces with the Symphony before the invited soloists arrived in town for their scheduled guest performances. She and Dan especially enjoyed hosting and helping soloists during their stay in Mansfield. Dan never possessed any aptitude for musical performance, but appreciated the important role that the arts, and particularly the Symphony, play in strengthening the cultural and social vitality of the community. He was a Trustee of the Symphony and, as Board Chair, signed the contract that moved the Symphony's home from Malabar High School to the Renaissance Performing Arts Center.

An icon in the Ohio music scene for over 65 years, Percy Hall touched thousands of lives during his time as a public-school band, orchestra, and choral director in the greater Mansfield area, first in the Madison School System, and then for 35 years at Mansfield Senior High School. He also served for years as the supervisor of music for Mansfield City Schools. After his retirement from public school teaching, he taught for 10 years as an adjunct music professor at Ashland University, helping to prepare the next generation of music educators. He was a composer and a prolific arranger of countless pieces for band, orchestra, and ensembles - many of which have been published. He was a member of the Mansfield Symphony, a conductor of the Mansfield Youth Strings, assistant conductor of the Mansfield Youth Symphony, and he coordinated and directed school outreach programs and summer public concert series across North Central Ohio.

"It is exciting to have youth music education supported this way by passionate donors. This program will add prestige to our symphony and youth symphony," said Thompson.

Anyone can donate to these funds; go to richlandcountyfoundation.org, click the donate button and select the fund or write a check payable to the Richland County Foundation and note the fund on the memo line.

BUILDING A LEGACY OF GIVING

A local couple sets up a fund to support community impact.

In a move that highlights their longstanding commitment to supporting local causes, Neil and Carol Hamilton, owners of Hamilton Insurance Group, Inc., have established a donor-advised fund with the Richland County Foundation. This generous decision will allow them to continue giving back to the community that has supported their successful business journey while also involving their adult children in the process of philanthropy.

For years, Neil and Carol have helped various nonprofits in the area, particularly those that align with their passions for entrepreneurship, youth and family, and the arts. Through their new fund, they plan to expand this support and make an even greater impact. The couple's new donor-advised fund will allow them to recommend grants to local nonprofits that are close to their hearts. Over the years, they have built relationships with many of these organizations, and now they can direct resources through their donor advised fund.

"I want to leave a legacy and help the community for many years to come," said Neil.

A key aspect of this fund is its ability to engage their adult children, Christine Myers, Brian and Michael Hamilton, in the decision-making process. Neil and Carol are excited to pass down the tradition of giving to the next generation and involve them in discussions about philanthropy.

During Richland Gives, an online giving event hosted by the Foundation, the Hamilton family gets together and decides which nonprofits to support. They now can use their donor advised fund during Richland Gives and pay no fees.

"We've been fortunate to build a business here, it is important to support the community that has supported us over the years," said Carol.

Through this fund, Neil and Carol hope

to inspire others in the community to consider how they can make a lasting impact as well. Whether it's supporting small businesses, or addressing emerging needs, the couple's gift is a testament to the power of community and the importance of giving back.

About Hamilton Insurance

Incorporated in 1992, Hamilton Insurance Group, Inc. and its family of agencies are leaders in providing quality protection for thousands of individuals, families, and businesses throughout Ohio and in twenty other states. The Hamilton Group now operates from two locations: 1669 Lexington Avenue in Mansfield and 750 Cross Pointe Rd. Unit G in Gahanna. Providing superior customer service and low rates along with their ability to understand customer's coverage needs drives the success of the agency.

AN EDUCATOR AND COACH LEAVES GIFTS TO BENEFIT HER FORMER SCHOOL

Ontario Local Schools former Health and Physical Education teacher Marcia Baer continues to help students even after her death.

Marcia died last year at her home in Ft. Myers, FL. She left a gift in her trust to establish two new funds at the Richland County Foundation.

She set up a scholarship fund for Ontario graduates pursuing a four-year or higher degree in teaching. She set up another designated fund for the Athletic Department to buy equipment for girls' sports.

Marcia taught for 30 years and was a successful volleyball, basketball, softball, cheerleading, gymnastics, drill team, and track coach for Ontario.

After her retirement in 1996, she was an EMT for Mansfield Ambulance Service for 14 years and served as a bus driver for Ontario Schools for 10 years. She worked with the American Red Cross and American Heart Association as a CPR and WSI instructor for 60 years.

MANSFIELD RICHLAND COUNTY PUBLIC LIBRARY WINNIE GREER FUND

Mansfield Richland County Public Library Director
Chris May and Deputy Fiscal Officer Mary Dwyer.

An estate gift motivated the Mansfield Richland County Public Library (MRCPL) to establish an agency endowed fund at the Richland County Foundation.

“We were very excited to receive an unexpected windfall from the estate of Gerald Davis to set up a fund to honor Winnie Greer,” said MRCPL Deputy Fiscal Officer Mary Dwyer.

The fund will help support programs and projects at the library.

“

“This new fund opens an avenue for donors to support the library either today with a gift or tomorrow in their estate plan,” said MRCPL Director Chris May.

Benefits of an Endowed Fund for the Library:

- It generates an ongoing source of income and diversifies revenue.
- Allows for program expansion.
- Encourages gifts.

About the Library:

Since its opening in 1889, the first 700 books, and the first set of the Congressional Record, the library has been a source for free access to knowledge, information, and resources in Mansfield. That will never change. The library is a bridge connecting people to the knowledge and resources they might not otherwise have access to. But the technological and information era has changed the landscape. Things that used to be a barrier to access are eroding and the amount of information and resources now available is ever-expanding and changing.

While the library continues to be a storehouse of traditional materials, it also is expanding

to offer new and innovative items that people might not think a library would offer. The library is way more than just books. It is no longer limited by the walls of its nine locations or the daily operating hours either. Customers across the community and across the state can access the library anywhere, anytime using digital resources. They can take classes, learn new skills online, read or listen to books on their devices, stream movies, and check out things like telescopes, power tools, and more.

In the global and digital age, the library recognizes the importance of being rooted in the community offering innovative resources, programming, and events specifically for its customers. The library is a center for people of all ages to come together to have fun, learn, grow, craft, seek knowledge and understanding, connect, and engage!

MRCPL Goals

- Amplify its role as a community gathering space.
- Maximize its reach beyond the physical buildings.
- Positively impact lives through responsive programming.

Anyone can donate to the MRCPL Winnie Greer Fund; go to richlandcountyfoundation.org, click the donate button and select the fund or write a check payable to the Richland County Foundation and note the fund on the memo line.

FORMER CLERK OF COURTS MEMORIALIZED WITH A FUND

The family of Linda Frary set up a donor advised fund at the Richland County Foundation to memorialize her. Her husband, Richard, created

the Linda Hansen Frary Memorial Fund with the help of his sister-in-law, Laura Hansen Dean. Once it was set up, Laura was the first donor to the fund. Laura has a professional background in community foundations and understands the value of a donor advised fund.

The fund will be used to make grants to nonprofit organizations that Linda would have supported.

Linda was diagnosed with ALS, better known as Lou Gehrig's Disease, in 2022. Linda, who served as the Richland County Clerk of Courts from 2004 to 2023, was well known and

respected in the community. She passed away peacefully in her sleep last year.

The first symptom Linda noticed was slurred speech and later, it was problems with her leg and foot. The diagnosis was confirmed by an ALS neurologist in Columbus.

Richard said his wife was devoted to her family and to the citizens of Richland County and he wanted a way to honor her. With the new fund, he would like to support various nonprofit organizations including hospice since they were so helpful in taking care of Linda. Another area of charitable interest is nursing education because Linda's mother was a nurse.

Anyone can donate to the Linda Hansen Frary Memorial Fund; go to richlandcountyfoundation.org, click the donate button and select the fund or write a check payable to the Richland County Foundation and note the fund on the memo line.

Deborah Willhelm and Carol Ramsey

A RETIRED EDUCATOR MAKES PLANS FOR A SCHOLARSHIP FUND

Carol Ramsey and her good friend, Deborah Willhelm, were dedicated educators for 30 years and were best friends.

Carol taught sixth and seventh-grade science. Deborah taught third grade before she became a guidance counselor and then principal. Both worked at Ontario Local Schools.

Deborah sadly died in 2022 from heart complications.

Carol has been contemplating her estate plan with a financial planner. She decided to set up a scholarship fund upon her death to honor their education careers.

The fund will be opened with assets from Carol's IRA. The scholarship, named the Carol Ramsey and Deborah Willhelm Scholarship Fund, will provide scholarships to Richland County students. The first preference will be given to those students pursuing a scientific degree and the second preference to those pursuing a degree in elementary education.

Carol is now listed as a Legacy Society member. It is a way to recognize individuals during their lifetime who have made plans to leave a gift to this community in partnership with the Foundation. The gifts may be made through an estate plan, written in a will or trust, including the Foundation as a future beneficiary of an IRA, insurance policy, remainder trust, or other similar planned gifts.

PAYING IT FORWARD ONE WISH AT A TIME

Steven and Christine Myers and their daughters Lizzy and Makayla in Rome.

Steven and Christine Myers created the Visual Bucket List Foundation (VBLF) to provide experiences for children who have a visual impairment diagnosis. These opportunities are intended to be a special visual memory to be remembered for the rest of their lives when their vision fails. Each wish is unique based on a child's visual bucket list and their capabilities.

Their daughter, Lizzy, was diagnosed at the age of five with Usher Syndrome 2A. Usher Syndrome is the leading cause of deaf blindness. When they received the diagnosis, they created a "visual bucket list" for Lizzy.

Lizzy was granted a trip to Istanbul and Rome where she was blessed by Pope Francis and given a once-in-a-lifetime trip. The gift was so grand, that Christine and Steven felt compelled to pass along their gift to whatever extent they could and provide lasting memories for children in a similar position as their daughter.

Since its inception, the VBLF has raised over \$335,000 and has granted 15 wishes. The wishes have ranged from night flights to view Christmas lights from the sky over Mansfield to a real dinosaur dig in South Dakota.

Recently, the VBLF Board of Directors decided to set up an endowed fund at the Foundation.

Steven said the new fund will provide the organization with a diversified revenue stream. Currently they rely on donations and fundraisers to pay for the children's wishes. Christine and Steven have organized many fundraisers over the past eight years including Purse Bingo and Dining in the Dark.

"We trust the Foundation with our investment in an endowed fund," said Steven.

"We will utilize the fund as a building block to help us grow. My hope is to become an international organization helping families from around the world."

Steven and Christine credited former RCF President Brady Groves with their early success because he provided support and advice. The Foundation continues to support VBLF and other nonprofits through the Osborne Meese Academy, a nonprofit capacity building program, and Richland Gives, an online giving event.

The VBLF recently hired its first paid employee, Holly Dawson. She is the Director of Community Relations and Marketing. She previously worked for Junior Achievement and held various roles, including Program Manager.

To learn more about the Visual Bucket List Foundation go to <https://thevblf.com/> Anyone can donate to the VBLF fund; go to richlandcountymuseum.org, click the donate button and select the fund or write a check payable to the Richland County Foundation and note the fund on the memo line.

GRANTS

The Richland County Foundation, in partnership with the Mansfield Richland County Public Library, Renaissance Theatre, and Richland Source, held its first Kaleidoscope speaker series. Nationally recognized authors including Majora Carter presented at the Renaissance Theatre. The goal of the events is to build greater social capital through diverse and inclusive conversations among interested individuals, corporations, government entities, and nonprofit organizations.

TURN YOUR GENEROSITY INTO AN ENDURING IMPACT

Explore meaningful ways to support causes that matter to you and strengthen our community. Whether giving to the Richland County Foundation or another local nonprofit, this Giving Guide is your roadmap to philanthropy that creates a powerful, lasting impact across Richland County.

FAMILY FUNDS

Philanthropy That Reflects Your Values

Gather your family to discuss shared values and create a legacy of generosity. By establishing a Donor Advised Fund, you open the door to personalized charitable giving that reflects your family's vision. Our dedicated team connects you to causes that resonate with your values. Reach out to Chief Advancement Officer Maura Teynor to begin your family's giving journey.

SMART GIVING

Maximize Your Gift, Minimize Taxes

Donating appreciated stock brings powerful benefits: receive a full market value deduction and avoid capital gains taxes. Business owners, you can also offset taxes by donating part of your company interest. Contact Director of Finance Rachel Weber for personalized guidance on making the most of your gift.

CHARITABLE GIVING

That Pays You Back

For those over 60, a Charitable Gift Annuity (CGA) offers increased payout rates while supporting local causes. This unique opportunity provides a reliable income stream and a lasting community impact. Connect with Director of Finance Rachel Weber to learn more.

A TAX-SMART WAY to Impact Your Community

If you're over 70½, consider a tax-free IRA transfer to local charities, enhancing community programs and supporting those in need. Chief Advancement Officer Maura Teynor can guide you through these simple steps to make a lasting impact.

CREATE A LEGACY That Shapes Our Community's Future

After providing for your loved ones, consider leaving a legacy with a gift in your will or trust to the Richland County Foundation. Thoughtful planning today can help create a stronger, more vibrant community tomorrow. Contact Maura Teynor for assistance in planning a gift that honors your values and vision.

Richland County Farm Bureau Volunteer Jill Arnett helped with a lesson in Michelle Smith's second-grade classroom at Ontario Stingel Elementary School.

The Gift of Grain Fund supports the Feed the Farmer program run by iHeart Radio/WNCO. The Wittmer Farms in Lexington received a free lunch during harvest.

GIFT OF GRAIN FUND SUPPORTS EDUCATIONAL KITS

The Richland County Foundation Gift of Grain Fund Committee awarded a grant to support the Richland Soil and Water Conservation District (RSWCD).

The grant funded a collaborative project called Cultivating Minds that brings together RSWCD, Richland County Farm Bureau, and the Mansfield Richland County Public Library. It provided three agricultural and environmental literacy kits to every elementary school in Richland County and at the main branch of the library. The goal is to teach elementary youth about agriculture, food, and natural resources. The agricultural kits include a children's book, a teacher's guide, and all items needed for a classroom activity. A total of 75 kits were distributed throughout the county.

The Gift of Grain Committee members are Brian Alt, Shelby farmer, Donnie Clark, owner of Elzy Milling and Trade, Jess Ashby, Ohio Department of Agriculture Meat Inspector, Christy Keith, Richland County Fair Board member, and Adam Staley, Clear Fork High School vocational agriculture teacher and FFA Advisor.

The Richland County Foundation Board of Trustees established the Gift of Grain Fund in 2021 with \$15,000 to support local agricultural nonprofits. The fund can accept grain, cash, stocks, bonds, marketable assets, or a transfer from an IRA account from farmers, companies, and individuals. The charitable gift qualifies for the maximum tax advantage available by law.

Dancers performed during the Martin Luther King, Jr. celebration at Mansfield Senior High School. A Foundation grant supported the event.

FUNDS

HONORING LOVED ONES THROUGH THE GIFT OF EDUCATION

Local donors have found a touching way to honor their parents while making a lasting impact on future generations. Bob and Jodi Schraedly, established the Schraedly-Patterson Scholarship Fund at the Richland County Foundation, ensuring their legacies will live on through the gift of education. Three of their parents were long-time educators.

Eileen Schraedly, Bob's mother, was an elementary school teacher for 40 years in the Ontario school system. She started her educational journey at Bowling Green State University and transferred to Ashland College. She earned her education degree in the 1960s.

Russell Patterson, Jodi's father, served in the United States Air Force during WWII and flew 35 missions from England over the European Continent. After that, he served at a U.S. Base in India whose mission was gasoline deliveries flying around the Himalayan Mountains into China. Following his military service, he benefited from the GI Bill to obtain an education degree from Ohio Wesleyan University. Later, he enrolled at Bowling Green State University and earned his licensure to become a school principal. He served as Madison Local School District

teacher, coach and administrator for 26 years.

"WWII changed my father's life; he wanted to give back in a meaningful way. That had a significant impact on his decision to pursue education as a career," said Jodi.

Marian Patterson, Jodi's mother, was a Home Economics teacher in the Cardington School District. She often used skills from the classroom to volunteer in the community.

This thoughtful act of generosity stems from the donors' desire to celebrate the values their parents cherished: hard work, dedication, and the pursuit of knowledge. By creating the scholarship fund, Bob and Jodi not only memorialize their lives but also provide opportunities for students to achieve their educational dreams.

The scholarship will support Richland County students pursuing a college degree or career technical education certificate, helping to alleviate financial burdens and open doors to new possibilities.

“

This fund is a way to give back to the community and to honor the incredible people who shaped our lives.

"It's fulfilling to know their legacy will inspire and empower others for years to come," the donors shared.

Bob and Jodi Schraedly own Charles Mill and Pleasant Hill Marinas and have often volunteered their time in the community.

The donor leveraged his IRA for this impactful gift, taking advantage of tax benefits. The fund stands as a testament to the enduring power of philanthropy and the transformative impact of education.

If you are interested in creating a legacy of your own or learning how to make a difference through your IRA, please reach out to Chief Advancement Officer Maura Teynor at mteynor@rcfoundaiton.org.

UNRESTRICTED FUNDS offer the donor and Foundation the broadest options to address and to impact the community's current and ever-changing needs.

Major Robert and Helen Ludwick Unrestricted Fund

The Ludwick Family Trust left a gift to the foundation to establish the Major Robert and Helen Ludwick Unrestricted Fund. The fund will be utilized for community programs and projects. Helen passed away in 2023 and Robert in 2019.

Robert was a pilot for 21 years in the United States Air Force. He later started an insurance agency, Best Insurance. They were members of the Crestline Church of Christ for 35 years and were involved in various missions.

FIELD OF INTEREST FUNDS

allow our donors the opportunity to support specific interests within a broad area such as children's programs, the arts, education, the elderly, or health services.

The Unstoppables Youth Sports program received a Summertime Kids Grant for its baseball program for youth with special needs. This grant allowed UYS to fulfill equipment needs for practice and games. Every child deserves the opportunity to be included, the right to participate, and the feeling of belonging to a team and making friends.

SUPPORTING LOCAL CAUSES:
A LEGACY OF GENEROSITY

In a charitable display of community support, Conn and Carol Dandareau, long-time residents of Mansfield, have taken a significant step toward ensuring the sustainability of several local nonprofits for generations to come. Through their establishment of a donor-advised fund (DAF) with the Richland County Foundation, they are now actively supporting the causes they care about most—while also making plans to leave a lasting impact after their passing. They are retired educators who met while student teaching at Bowling Green State University. Conn taught at John Simpson Middle School in Mansfield and Carol taught at Lucas Local Schools, Crestview Local Schools and St. Peter’s School in Mansfield.

A DONOR-ADVISED FUND FOR TODAY AND TOMORROW

A donor-advised fund allows individuals and families to make charitable contributions, while retaining the ability to recommend grants to their chosen nonprofits over time.

For the Dandareaus, this fund provides a way to continue their support of local causes that have been important to them throughout their lives, such as education and literacy, social services, and the arts. The flexibility and control that the DAF offers allows them to direct their charitable dollars in a way that aligns with their values and passions—both now and into the future.

A PLANNED GIFT TO SUPPORT LOCAL ORGANIZATIONS

In addition to their giving through the DAF, Conn and Carol have made a thoughtful decision to include several local nonprofits in their estate plans. By designating a portion of their estate to benefit these organizations, they are creating a legacy of generosity that will continue to serve the community.

To learn more about how you can create your own legacy of giving, contact Chief Advancement Officer Maura Teynor at mteynor@rcfoundation.org Together, we can make a difference.

WOMEN'S FUND AWARDS GRANTS

The Women's Fund of the Richland County Foundation awarded \$82,570 in grants. For the sixth year in a row, the Women's Fund awarded a grant to make quality childcare affordable and accessible to women in Richland County. This year's \$25,000 grant went to the YWCA of Northwest Ohio. They will take applications from in-home childcare providers and centers for grants of up to \$2,500 for resources and continuing education. The Women's Fund believes that childcare is important to the economic security of women.

Elizabeth Daniels, Susan Martin, and Amy Hiner.

Other grants were awarded to The Domestic Violence Shelter to upgrade electrical service in individual rooms and provide mini refrigerators, the Music Academy of Karate and Empowerment for a self-defense class, North Central State College Foundation for an essentials and wellness program at its Child Development Center, Planned Parenthood for a program to improve access to contraceptive services, Project One for a five-day grace stay for women and children seeking refuge from human trafficking, Renaissance Theatre for a lactation pod for patrons and staff members, Richland Public Health to expand its infant car seat distribution, Shelby Diaper Pantry to distribute diapers, and Third Street Family Health Services for a mobile fresh food program for new and expecting mothers.

Since 1998, the Women's Fund has awarded \$617,240 via 333 grants impacting thousands of lives.

Suzanne Allen and JoAnn Dutton's daughter, Cathy Goldman.

The Women's Fund RICHLAND COUNTY FOUNDATION

The Women's Fund also announced the JoAnn Dutton Volunteer Community Service Award winner. The award was named in honor of JoAnn Dutton, former executive director of the Mansfield YWCA. It celebrates women who devote a significant amount of time and energy in a meaningful way to local charitable organizations.

This year's winner is Suzanne Allen, a volunteer at The Domestic Violence Shelter. She was recognized for volunteering to respond to sexual assault cases at Avita and OhioHealth hospitals to provide immediate support, guidance, and comfort to those affected by sexual assault. Allen is a strong advocate for policy change, using her firsthand knowledge to lobby for improvements in legislation and services for sexual assault survivors on the local and national levels.

Women's Fund Advisory Committee members: Amy Goyal, Debra Weaver, Margaret Lin, Veronica Williams, Elizabeth Daniels, Nyasha Oden, Reneta Music, Amy Brunell, Sharlene Neumann, Elizabeth Buttil, and Amy Hiner.

CONNECTIONS FUND SUPPORTS A MENTORING PROGRAM

The Connections Fund of the Richland County Foundation awarded a grant to the Mid-Ohio Education Service Center for its High School Speech-Language Pathologist (SLP) Mentoring Program. The program provides juniors and seniors with 60 hours of immersive career preparation experience, including mentorship with in-district Speech-Language Pathologists (SLPs), a curriculum aligned to licensure, and opportunities for career pathway advising.

The Speech-Language Pathology field is facing a severe shortage of professionals with demand steadily increasing in educational settings. This shortage leaves schools struggling to provide services. The High School SLP Mentorship Program seeks to close the gap by identifying students with an aptitude for interest in health sciences, and then offering them a structured career pathway.

“On behalf of the Mid-Ohio Educational Service Center Board of Governors and Administration, I would like to thank the Richland County Foundation and the Connections Fund Advisory Committee for supporting the High School Speech-Language Pathology Mentoring Program,” said MOESC Superintendent Kevin Kimmel. “We are excited to get into all the Richland County Schools and share information with our students about the rewarding career opportunities in the field of SLP. We have a very talented group of SLPs doing an amazing job in our districts, and we want them to serve as mentors and role models for the next generation of SLPs.”

The Connections Fund awarded its first Emerging Philanthropist Award to Ashley Twedt, an intervention specialist at Bellville Elementary School. She was recognized for her work with the Purple Star program which supports children of military families.

Members of the Connections Fund Advisory Committee include Holly Christie, Marcella Smith, Rachel Schag, Nyasha Oden, Cassie Brumfield, Connor Darsee, and Holly Dawson.

Jennifer Crum, MOESC Director of Student Services, Kevin Kimmel, MOESC Superintendent, and Amy Wood, MOESC Director of Grants and Special Projects.

Pete LuPiba of Ohio MIC3-Purple Star, Matt Dudley, Jennifer Dudley, Ashley Twedt, Rachel Schag, and Tammy Puff of the Governor's Office.

LEGACY SOCIETY

The Legacy Society was established by the Board of Trustees in the year 2000 to recognize individuals during their lifetime who have made plans to leave a gift to this community in partnership with the Richland County Foundation. This gift may be through their estate plans, written in their will, including the Foundation as a future beneficiary of their IRA, insurance policy, remainder trust, or other similar planned gift.

The Richland County Foundation acknowledges the generous people who have planned a legacy to their community through gifts that will eventually come to the Foundation for the benefit of others.

The Salvation Army received a grant for its Emergency Social Services Program. Households that teeter on the edge of poverty are forced to choose between transportation, housing, and food expenses. The program includes the soup kitchen, food pantry, direct financial assistance for utilities to prevent homelessness, and seasonal assistance. The funds will be used towards utility and food assistance. This program attempts to aid in self-sufficiency for vulnerable populations and reduce reliance on public assistance.

Camp Broadway at the Renaissance Theatre received a Summertime Kids grant. With help from volunteers, the students learn about acting during the weeklong experience.

Raemelon Therapeutic Equestrian Center received a grant to provide scholarships for equine-based therapies to individuals with physical and intellectual disabilities. This therapy engages and strengthens a student's muscles, improves motor skills, encourages core academic skills, and appropriate communication.

Community Investment Officers Siera Marth-May and Bobby Rhea provided scholarship information at the Junior Achievement of North Central Ohio Inspire to Hire event at the Richland County Fairgrounds. Over 800 area high school students attended.

Connections Fund awarded a grant to the Mid-Ohio Education Service Center for its High School Speech Pathologist Mentoring Program. The program provides juniors and seniors with 60 hours of immersive career preparation experience, including mentorship with in-district Speech-Language Pathologists (SLPs), a curriculum aligned to licensure, and opportunities for career pathway advising. The Speech-Language Pathology field is facing a severe shortage of professionals with demand steadily increasing in educational settings.
